

Project .....

VUM Project No. ....

**Customer lead:**

Comp. / Dep.	
Contact	
Phone	
Fax / E-Mail	

**Raw gas:**

Quantity			
Pressure		Temperature	
Component	Concentration	Quantity	

For dust: Please inform on particle size if possible

**Clean gas (emissions to reach):**

Component	Concentration	Quantity

What scrubbing liquor shall be used?	
Operating: hrs. per year/day; batch or constant use?	

**Environment:**

Min. Temp.		Max. Temp.		Outdoor installed	
Ex-Zone yes/no				Indoor installed	

**Installation:**

Space available (L x W x H)	
Max. Weight	
More info how to install:	

**Energy and Media, Execution of parts:**

Tension		Frequency	
Protection of motors		Instrument air pressure	
Tension for instrument		Execution/ Class of Ex protection	

**Scope of supply (please inform if specified by you):**

Engineering			
Vessels		Material	
Pumps		Mat./Brand	
Pipes		Mat.	
Isolation		Mat.	
Steel support		Mat. Coating	
Instruments		Brand	
El. cabinets		Brand	
Freight		Incoterms	
Erection			
Set up			

**State of project:**

Budget	
Purchase scheduled for	
Operating scheduled for
